From 1981 till date it is clear that in all adversity & prosperity I & Sensex have grown. But during this period I have grown 32 times & at the same time Sensex have grown 173 times.

Surely there has been downside also. But sooner or Later that downside has always overcome

Moral: Be a systematic & disciplined investor, because as age grows investment are also sure to grow

(Sensex figure are as on 31-mar of that particular year)

Save in Equities, Save Wisely, Save regularly, Invest Smartly.
